

Chinese New Year Comes To Southend High Street.

We have been working with Southend Borough Council to organise a celebration for the Chinese New Year. The result was a spectacular two day event (31 Jan and 1 Feb) at Victoria Circus which included the colourful lion dance, acrobatic displays, calligraphy and children from local schools taking part in plays and making lanterns.

We were pleased to welcome the Mayor to open the event on the first day and to see the hundreds of shoppers, children and adults who enjoyed the entertainment and lively displays.

Hopefully this will become an annual event so look out for details of next year's celebrations which will be even bigger and better.

Tony Law

SEMF Trustee and President of the South East Essex Chinese Association
